

Animation & Design Internships

Get an internship that gives you complete creative freedom, challenges you to step outside the box, and walk away with portfolio pieces that are also broadcast on television. You could be part of the dedicated team of designers that supports the brand advertising and visibility of this progressive television station.

Learning Opportunities:

- Working with peers and supervisors to craft branding campaigns and bring them to life
- Creating graphics packages for original productions
- Advancing design skills for broadcast and print
- College credit for undergraduate students

Responsibilities include:

- Create 10, 15 and 30 second animated branding identifiers
- Collaborate with Production department to create graphics for original content
- Work with Project Managers to keep marketing materials up to date

Experience required:

- After Effects
- Photoshop
- Illustrator
- Flash is a plus

Hours needed: 20 hours a week

Please e-mail resume & cover letter to: jkegelman@mindtv.org
